

MAKE WRITING

WITH **ANGELA STOCKMAN**

www.mciu.org/register

Angela Stockman is a teacher, an author, and an international literacy consultant with a passion for making and writing. She spent over a decade facilitating writing workshops in her own classroom before stepping out to support other teachers and the writers they love.

Learn from #makewriting guru, Angela Stockman in this professional development workshop focusing on how you can infuse making into writing and vice versa. The first 25 registrants will receive a copy of **Hacking the Writing Workshop: Redesign with Making in Mind.**
