

CONSTRUCTING

• MEANINGFUL MAKERSPACES •

Audience: K - 12 Teachers, Librarians, Coaches and Administrators

Are you building or considering a **Makerspace** for your school? Do you want to learn how **Makerspaces** connect to the core curriculum? Join us for a day of hands-on activities to learn strategies for cultivating a culture of making and innovation. Participants will have the opportunity to explore a variety of tools that can support maker environments while connecting with other education leaders who are also planning makerspaces. Come ready to be an active learner as we discuss various considerations for building and promoting maker learning in schools.
