WHAT IS WORTH FIGHTING FOR?
The Essentials of Teaching Writing at the Secondary Level

October 25, 2017 | 8:30 AM - 3:30 PM

This workshop will provide middle school and high school educators with an overview of effective, research-based practices related to writing instruction and the specific role that time, choice, feedback, and explicit instruction play in the secondary classroom. Practical methods and strategies for implementing effective writing practices for all genres will be explored. Participants will leave with a stronger sense of the writing instruction essentials that are worth fighting for in our schools today.
