

GETTING STARTED WITH BENCHMARKING AND PROGRESS MONITORING

In this training, participants will learn the essentials of using aimswebPlus for benchmark screening and progress monitoring.

This workshop will provide instruction on how to fluently navigate within the aimswebPlus accounts at the class, group, and student levels. Participants will examine how to collect benchmark and progress monitoring data using the online assessment platform and digital record forms.

There will be a basic review to support the understanding and interpretation of reports available within the aimswebPlus system.
