

SUSTAINING MEANINGFUL MAKERSPACES

So...you have a Makerspace in your school. Now what? It's time to think deeply about its purpose and expanding its role in your school community! This workshop is focused on connecting teachers, librarians and administrators to evaluate your Makerspace vision, identify deeper core content connections and brainstorm maker careers to expose to students.

AUDIENCE

Makerspace Teachers,
Librarians, Administrators.
Please consider bringing a
school team of 3-4 people to
this workshop and receive a
discounted team price.
