

PowerSchool Honor Roll Awards Regional Nominations – PA-PSUG

About the Honor Roll Awards

The PowerSchool Honor Roll Awards are presented in several categories that recognize individuals who use PowerSchool to enable educators and students to realize their potential. The awards honor users who lead change with technology in their schools for the benefit of children, those who help train and mentor their fellow users, and those responsible for the management of software to support teachers and improve student outcomes.

Regional Honor Roll Award recipients are selected by members of the PowerSchool User Group Network at their events throughout the year. The Global Honor Roll Award recipients are selected from those recognized by user groups as well as those nominated by customers and PowerSchool team members using the online nomination form. Finalists are selected by a committee made up of PowerSchool Academic Advisors, PowerSchool team members, and user group network leaders. Finalists are announced in January followed by the Global Awards' presentation at PowerSchool EDGE, the company's flagship customer event.

Regional Nominations – PA-PSUG

At PA-PSUG, we know our members are doing amazing things every day and we want to celebrate their awesome efforts. In partnership with PowerSchool, we are pleased to recognize our members through the PowerSchool Honor Roll awards as a Premium Member of the Official PowerSchool User Group Network.

PA-PSUG's regional PowerSchool Honor Roll Award Winners will be granted the following benefits:

- Recognition at our Fall PA-PSUG meetings
- Award certificate and free registration to PA-PSUG Conference 2021
- Recognition on the PA-PSUG webpage
- Invitation to join the PowerSchool Champions program and online community

PA-PSUG Honor Roll winners are also Regional PowerSchool Honor Roll winners and will be automatically entered into consideration for the finalists to be recognized at EDGE 2021!

NOMINATION DEADLINE: June 19, 2020

Questions can be sent to Elaina Wrzesniewski at PA-PSUG@mciu.org or (610) 755-9493.

PowerSchool Honor Roll Awards

Nominate and recognize
your educational heroes!

PowerSchool users do amazing things every day, and they deserve to be celebrated! That's why we created the Honor Roll Awards—so you can **shine a light on educators who power brighter futures for all students.**

TRANSFORMATIONAL LEADER

This award goes to the most exceptional educational leader or administrator of any school or district who is consistently working to transform schools for the benefit of students. They create the vision that motivates educators to unlock district potential.

INSPIRING EDUCATOR

Given to the teacher, trainer, professional developer, or instructional coach who excels at helping students exceed their own expectations as they learn and grow and at empowering their fellow educators to unlock student potential.

TECHNICAL HERO

For the most extraordinary system administrator, CTO, director of IT, or technical leader responsible for managing software that enhances district operations and ultimately, student learning. They understand both the technical and human aspects of powering brighter futures.

INNOVATOR

Given to customers who most embrace creative, outside-the-box thinking applied to the toughest problems in education. This is for the unique team or individual that sees challenges as opportunities and brings fresh solutions and ideas to enhance all we do in education.
