

The Professional Development Your Teachers Need Now:

Helping Teachers IMPROVE and MASTER Online Learning for 2020-21

MCIU offers affordable professional development and coaching to support teachers with inclusive, intentional, virtual instructional design and delivery of content.

- Act 48 and Act 45 offerings – available in on demand synchronous, asynchronous, or blended format
- All content can be adapted to fit your own cyber program as well as your remote learning plan in the event of another closure
- Completely customized to fit your district curriculum and the needs of your teachers
- All courses have built-in assessments and engage your staff in 'take-aways' that transfer to the classroom. Courses are available for teachers to re-access and review at any time in the school year
- MCIU is an experienced provider, offering Professional Development to 21 Montgomery County School Districts, 100+ non-public schools and other privates/charters
- **Flexible pricing and options:** For as little as \$25/teacher, you can access training that addresses highly relevant instructional needs for teachers continuing to teach online in the fall

Provide your teaching staff with a Simple, Dynamic, Remote Learning Action Plan designed to increase online student engagement and achievement in 2020-21 and beyond.

COURSES INCLUDE (BUT ARE NOT LIMITED TO):

- Best Practices in Online Teaching
- Assessing Online
- Project Based Learning in an Online Environment
- A Guide to Close Reading Instruction in an Online Platform
- Facilitating Meaningful Mathematics Discourse Online
- The Virtual Mindful Classroom
- Online Classroom Management
- Establishing Expectations and Routines in Virtual Classrooms
